# BLISS

*Quality services for quality people*

## HOW DO WE PROVIDE CHANGE?

BLISS is a complete service where all services are designed to complement each other.

### SERVICES

- Monthly Dinners
- Private Matching
- Educational Workshops
- Ethical Dating App
- Meeting Rooms
- Counselling Services

## WHAT MAKES US EXCLUSIVE?

Our services have strict usage rules. The system is designed to attract those of quality mindset who are serious about marriage.

## DO WE ONLY PROVIDE SERVICES FOR MUSLIMS?

Yes. However, we are independent and are not associated with any mosque or religious organisation. We are for those who are conservative in their practicing, to those who are moderate. From fully veiled to no hijab, from beard to your knees to clean shaved.

We are not here to judge you on how you practice Islam. We are here to help you find a partner to complete you.

## INCLUSIVE AND EXCLUSIVE!

### MORE ABOUT US

The head of BLISS is a qualified counsellor and ex-nurse. We believe in offering a person-centred, humanist approach to our services. Not only is BLISS an introductions service, we also provide educational workshops and counselling services.

## MEMBERSHIPS

BLISS works off a monthly membership basis. Our services and pricing schedule is subject to change, therefore, we encourage clients to check our website for updated information. We offer “*pay as you go*” for clients interested in trialing services. Contact us and we will quote you for individual services.
